Thank you for emailing the office, homelessness is a crisis and we are working hard to help those in need. As well as, helping residents that are feeling the impact of those more unfortunate than us. I will be forwarding this message to Dominique, our Council Aide for the area. She will be able to speak on the progress made and more projects we hope to accomplish.

** Dominique, please reach out to the Conlan's for assistance.

Dear Ms.Rodriguez,

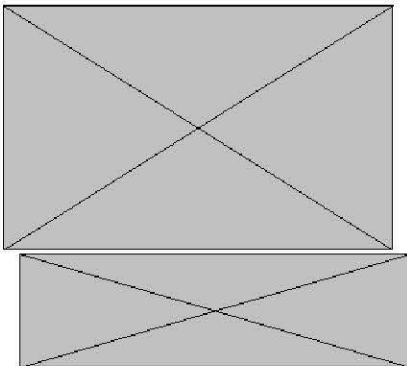

Here is another plea to you from yet another community member—PLEASE get Sunland Park cleaned up. We in the community don't know why this is so difficult since other parks in others communities are free of drugs and filth. We need to get the homeless moved out of the park so that it can be used for recreation for kids and families and to have a peaceful place to walk, rest, or picnic. No one goes there any longer because they are intimidated by people who are obviously mentally ill or on drugs. Please—we need your help.
